Intro to Asthma

**For students of nursing, respiratory therapy
and other health professions
6 p.m. to 8 p.m.**

The growing problem ... Asthma is the most common chronic disease of childhood. Asthma is the No. 1 reason children are admitted to Children's Hospital of Wisconsin.

A resource for change ... Fight Asthma Milwaukee Allies provides free community education classes to help caregivers better manage asthma.

FAM Allies' *Intro to Asthma* teaches students of various health professions:

- Asthma management basics.
- Common myths and community misunderstandings about asthma.
- Strategies for teaching asthma management to patients and families.
